## State of Texas

### FLEET RESCUE INSTRUCTIONS

To get service anytime day or night:

Carefully follow the instructions on the reverse side of this card.

Accurate information about the location of your disabled vehicle will enable our service operator to locate your vehicle promptly and expedite the rendering of service.

Keep these instructions with the vehicle at all times.

If possible, stay with your vehicle until Fleet Rescue service arrives.

If the vehicle is to be towed unattended, please leave the keys inside.
